## WE SUPPORT INCOMING STUDENTS AND HELPERS!

Our **Welcoming Scholarship** is the 4th scholarship we offer to award **social engagement**. Back in 2020, we launched our **Covid Scholarship without paperwork**.

Since February 2022, thousands of **student from Ukraine** have arrived in Germany - and the numbers will continue to rise.

The **social commitment** and **help** of many students who are stepping up to **welcome fellow Ukrainians** and give them a home is overwhelming. This **act of solidarity** must be made tangible and encouraged.

## WHO CAN APPLY?

With our Welcoming Scholarship we are keen to support:

- Incoming Students from Ukraine, or Ukrainian students who already study in Germany
- Helpers and Committed People who offer support of any kind to Ukrainian students

## WHAT CAN I GET?

As an **Incoming Student** with Ukrainian origins you can receive 500,- Euro as immediate aid.

As a **Helper** you can either receive 250,- Euro for yourself and donate 250,- Euro to charity, or donate your whole scholarship to a non-profit organization of your choice.
